

Debating with Good Hope Primary School

On December 2nd our English Debating Team took on Good Hope School Primary Section 2 in a lively debate to argue the motion that Junk food should be banned in school canteens. Yaumati Catholic Primary School (Hoi Wang Road) argued in the affirmative that junk food should be banned whilst Good Hope Primary School argued in the negative.

The adjudicator was very impressed with the ability of the primary students. It was an exciting match and both teams delivered their speeches, within time and with fluent and sophisticated English. Our school won the debate on the basis that our speakers' arguments had a more closely connected team line, contained more factual data and provided more rebuttals. Vanessa Yu also won the Best Speaker Award.

Our team (Vanessa Yu, Alison Lau and Percy Lee) and the debaters from the opposite side.

Guests, teachers and students had a group photo after the match.

Teacher-in-charge: Mr Neil Stewart & Ms Law Mei Tung Lilian
