

CONGRATULATIONS TO OUR ENGLISH DEBATING TEAM!

Warmest congratulations to our English Debating Team for winning the debate against St. Paul's College Primary School on 30th January 2018! The motion was 'This House Believes that Hong Kong primary students should have more free time in their weekly schedules'. Our team was on negative; St. Paul's was affirmative. This win means that all three of our debating teams have gained victories in their respective competitions. We eagerly look forward to more.

Kudos to Adrian Chan Chun Man (6D), who won Best Speaker! A worthy victory. Very well done to all.

Our team would also like to thank St. Paul's College Primary School for an enlightening debating afternoon. We wish them all the best for their future endeavours.
