

CONGRATULATIONS TO OUR ENGLISH DEBATING TEAM!

Our English Debate Team is incredibly lucky as Team III won against Pun U Association Wah Yan Primary School ('PUAWYPS') on 21st May 2018! We successfully upheld the motion:

'This house believes that Hong Kong should introduce a garbage tax to reduce household waste'.

6D Adrian Chan Chun Man impressed the adjudicator with his performance over the rebuttals. He was made Best Speaker.

So far for the 50th Anniversary of YCPS, all three teams have scored a string of successes in Debating. We hope this boost of confidence shall continue into the finals round.

Our team wishes PUAWYPS the very best in their future debating endeavours, and thanks them for an incredible debating afternoon.
